

## COMPATIBILITY GUARANTEE

Compatible SFP hereby offers the following guarantee in relation to all own branded SFP, SFP+, CFP, QSFP, XFP and XENPAK transceivers and direct attach cables.

All stock is supplied by the same international laboratories and ISO 9001 / 14001 manufacturing facilities as used by the mainstream vendors, guaranteeing quality, and all products receive a lifetime warranty.

All product lines are continually tested to maintain European Regulation and MSA (Multi-Source Agreement) Compliancy status, and adhere to the FCC Declaration of Conformity - Part 15 of the 1975 FCC (Federal Communications Commission) rules.

All cables are approved to operate with both Compatible SFP and vendor branded hardware; with own branded transceivers coded to operate with vendor switches: Cisco, Juniper, Brocade, Avaya, Huawei, Netgear, Dell, Extreme, D-Link and ProCurve.
